WORK EXPERIENCE

Ideologiq

Web Development Intern

Bucharest

Sep 2025 - Nov 2025

- Developed backend functionality for a web project using PHP and the Laravel framework, including server-side logic, database integration, and API endpoints to support frontend features.

SiSC - Sindicatul Studenților din Cibernetică

Fundraising Division Leader of ITFest

Bucharest

Jul 2025 - Feb 2026

- I lead a team of 20 members responsible for researching, contacting, and maintaining contact with companies, securing partnerships for SiSC's project, ITFest.

Fundraiser

Nov 2024 - Present

- I manage project budgets, connect with partners, attend trainings to improve soft skills, and collaborate with team members to ensure project success.

PROGRAMMING PROJECTS

Gym Assistant App

- Developed a mobile-first web app using HTML5, CSS, and JavaScript to track user workouts and progress, implementing offline support with Service Workers to enhance usability.
- Utilized LocalStorage for persistent data and deployed via [GitHub Pages](#) for easy access.

Minecraft Mod using Java

- Designed and implemented summoner spells from League of Legends within [Minecraft](#) using Java and the Fabric API.
- Built custom game mechanics and integrated with the Fabric modding platform using Gradle for efficient builds.

Role Playing Game in C#

- Created a simple RPG game using C# and Windows Forms, incorporating game logic, UI elements, and event handling.
- Applied object-oriented programming principles to structure game components and mechanics.

Game Engine from Scratch (in progress)

- Developing a custom game engine using C++, GLFW, and OpenGL, focusing on graphics rendering and input management.
- Implementing core engine architecture to support 3D scene rendering and resource management.

VOLUNTEERING

Volunteer for Carol I National College

- Assisted in moving and preserving key heritage assets during the college building consolidation, demonstrating responsibility and teamwork.

ERASMUS AND YOUTH EXCHANGES

Erasmus + Mindfulness for ASD - Hagen, Germany

- Raised awareness of autism challenges; promoted mindfulness and yoga.
- Built partnerships supporting youth with autism; enhanced empathy.

Youth Exchange DON'T HINDER ME - Çorum, Türkiye

- Joined disability awareness and inclusion project with 40 participants.
- Developed cross-cultural communication and teamwork skills.

Youth Exchange A call for Empathy - Dulverton, UK

- Participated in intercultural dialogue and social adaptability activities.
- Improved communication and empathy through international collaboration.

LANGUAGES

Romanian (Native)

English (Advanced C1)
